

Historik över BIR/BIM vid SRSKs (fd AfRS) utställningar år 1979 - 1999.

Sammanställt av Brith Andersson.

Klubben bildades i november 1977, den första officiella utställningen genomfördes 1979. Där förteckningen är markerad med ? beror detta på att jag inte har lyckats att hitta all data.

Vid några utställningar står det "(SSPK)" efter orten. Detta beror på att det är SSPK som är arrangör men att riesenschnauzer beviljats att delta. Detta var möjligt under ett antal år, men då efter ansökan från AfRS till SBK om att få delta.

För de hundar där uppfödaren senare fått kennelnamn har jag lagt till kennelnamnet även om det inte fanns när utställningen genomfördes.
